PLAY (Noun) activity engaged in for enjoyment and recreation, especially by children. (WEBSTER)

Each of our small PLAY groups will be tailored around the specific social skills one should have for that age and include a minimum of 15 minute direct one on one language intervention with a skilled Speech Language Pathologist per session to work on written or oral language skills, phonics, or literacy. For an investment of 60.00 per day, your child's PLAY group will have a **NATIONALLY CERTIFIED** Speech Language Pathologist facilitating each session plus a volunteer/ Grad Student serving as an assistant to ensure that each student is given the support needed to participate in all aspects of P.L.A.Y. (PRAGMATICS, LANGUAGE, ART and YOGA).
